

## We are hiring!

Vice President of  
Acquisitions

Multifamily Real Estate  
Atlanta, GA, Full-Time

Investing in US Real Estate since 1976

### ABOUT US

Our company is an international real estate investment fund operator advising financial institutions, family offices, and high-net-worth investors. Over its 50-year tenure the firm has completed 180+ closed-end funds totaling over \$7B in investments, with a strong focus on U.S. multifamily development in joint-venture partnerships. The US office, headquartered in Atlanta, Georgia is responsible for originating, structuring and monitoring U.S. real estate Investments on behalf of our investors.

### POSITION OVERVIEW

The Vice President – Acquisitions will lead and manage the execution of U.S. real estate investment transactions from origination through closing. This senior role partners with executive leadership to source opportunities, direct underwriting and due diligence, coordinate financing, and drive successful transaction execution across multifamily joint venture developments.

### KEY RESPONSIBILITIES

- Lead all phases of the acquisition life cycle from sourcing and due diligence through closing and integration.
- Source and evaluate investment opportunities, lead market research and Investment Committee materials.
- Oversee financial modeling, underwriting, joint-venture structures, and risk analysis.
- Manage full acquisition lifecycle from Letter of Intent (LOI) through closing.
- Lead due diligence efforts with legal counsel, brokers, consultants, and development partners.
- Prepare transaction summaries, closing memos, and investor presentations.
- Serve as primary liaison among acquisitions, asset management, accounting, lenders, and investors.
- Provide market insights and periodic reporting on U.S. multifamily trends.

### QUALIFICATIONS & REQUIREMENTS

- Bachelor's degree in real estate, Finance, Business, Economics, or related field; advanced degree preferred.
- 7 - 10 years of commercial real estate acquisition or investment experience.
- Strong expertise in financial modeling, underwriting, and joint-venture transactions.
- Experience with multifamily assets and joint venture developments preferred.
- Excellent communication, organizational, and leadership skills.
- Advanced proficiency in Excel, PowerPoint, real estate research and accounting platforms
- Travel required
- Possess a strong professional network and demonstrate willingness to actively maintain and expand relationships to support acquisitions and development initiatives.
